READ THESE INSTRUCTIONS FIRST

This Insert contains all the Resources referred to in the questions.

Resource 1 for Question 1

BYD Global Production Network

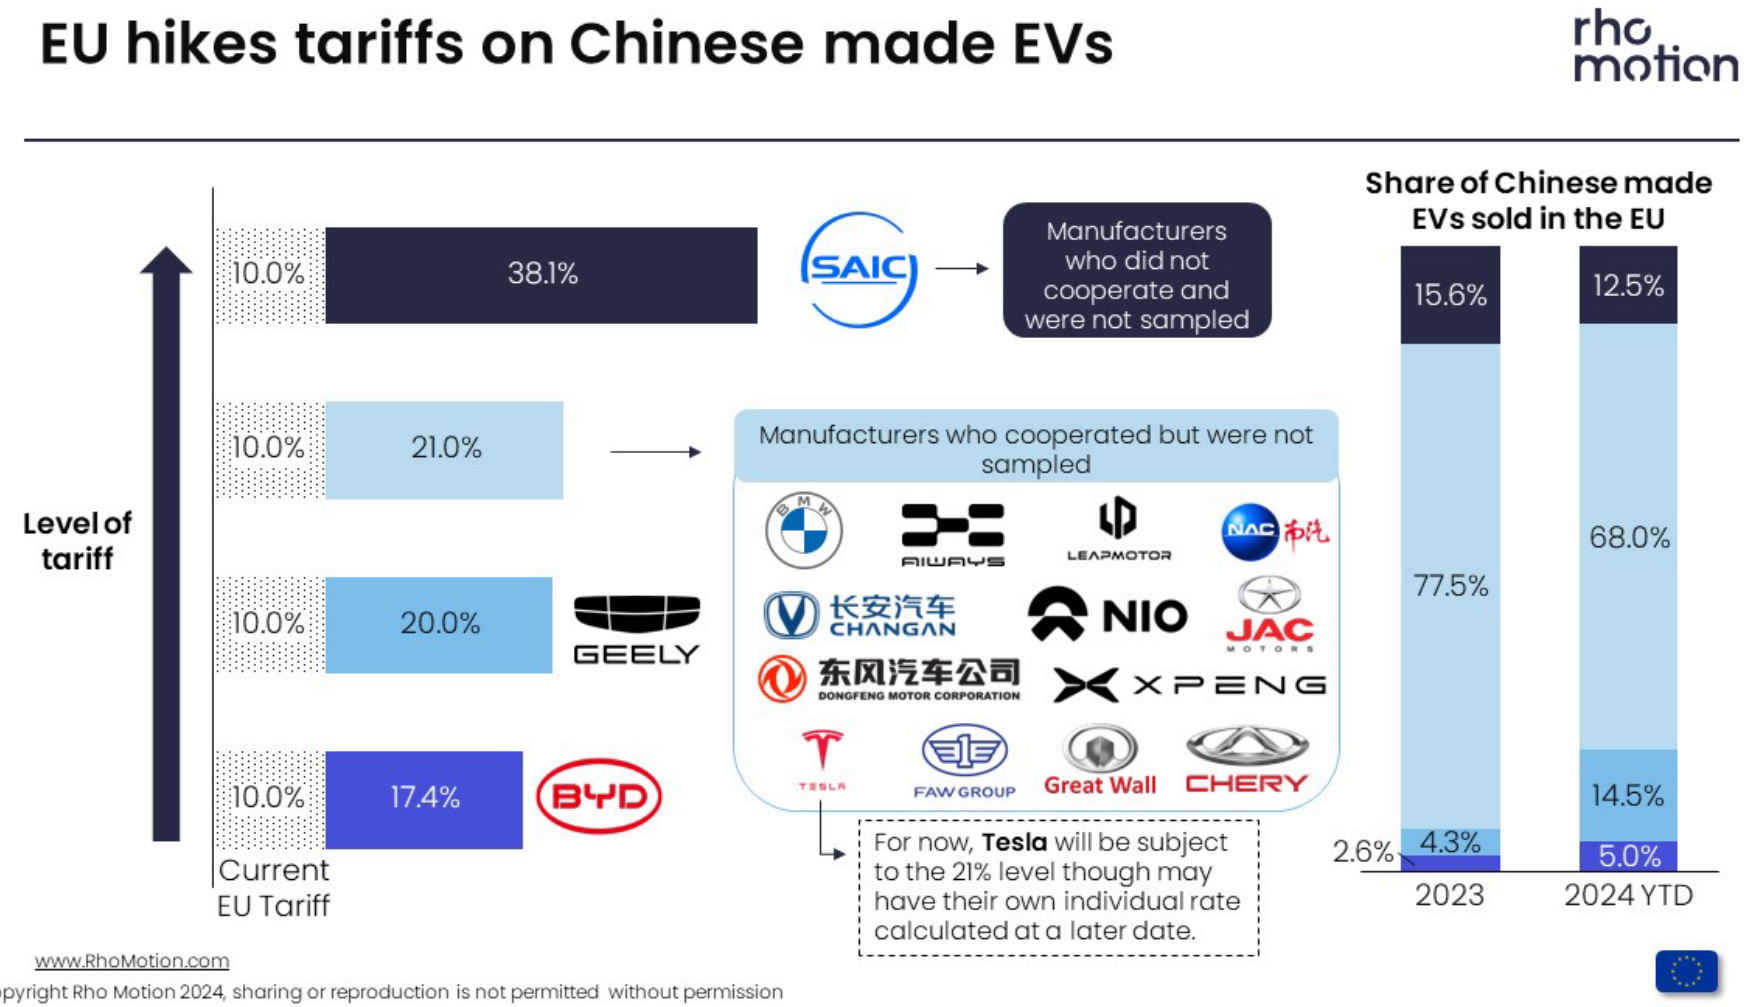

Resource 2 for Question 1

BYD's Mega Base in Zheng Zhou, China

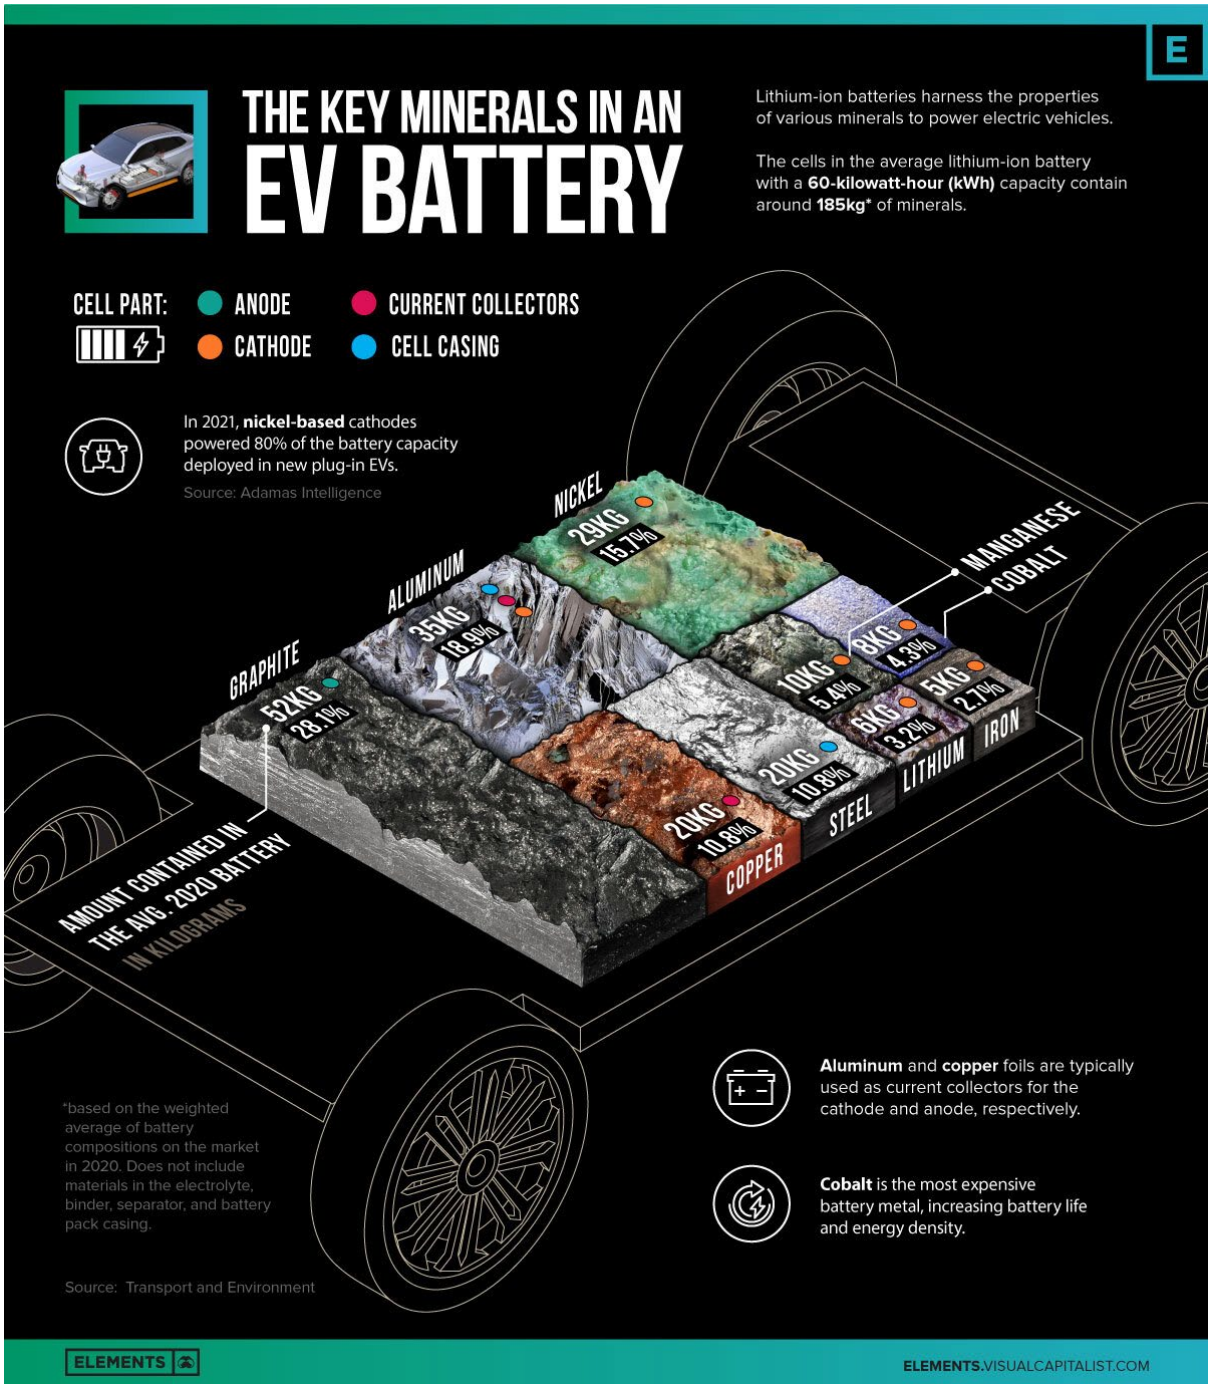

Resource 3 for Question 1

EU Hikes Tariffs on Chinese-made Electric Vehicles

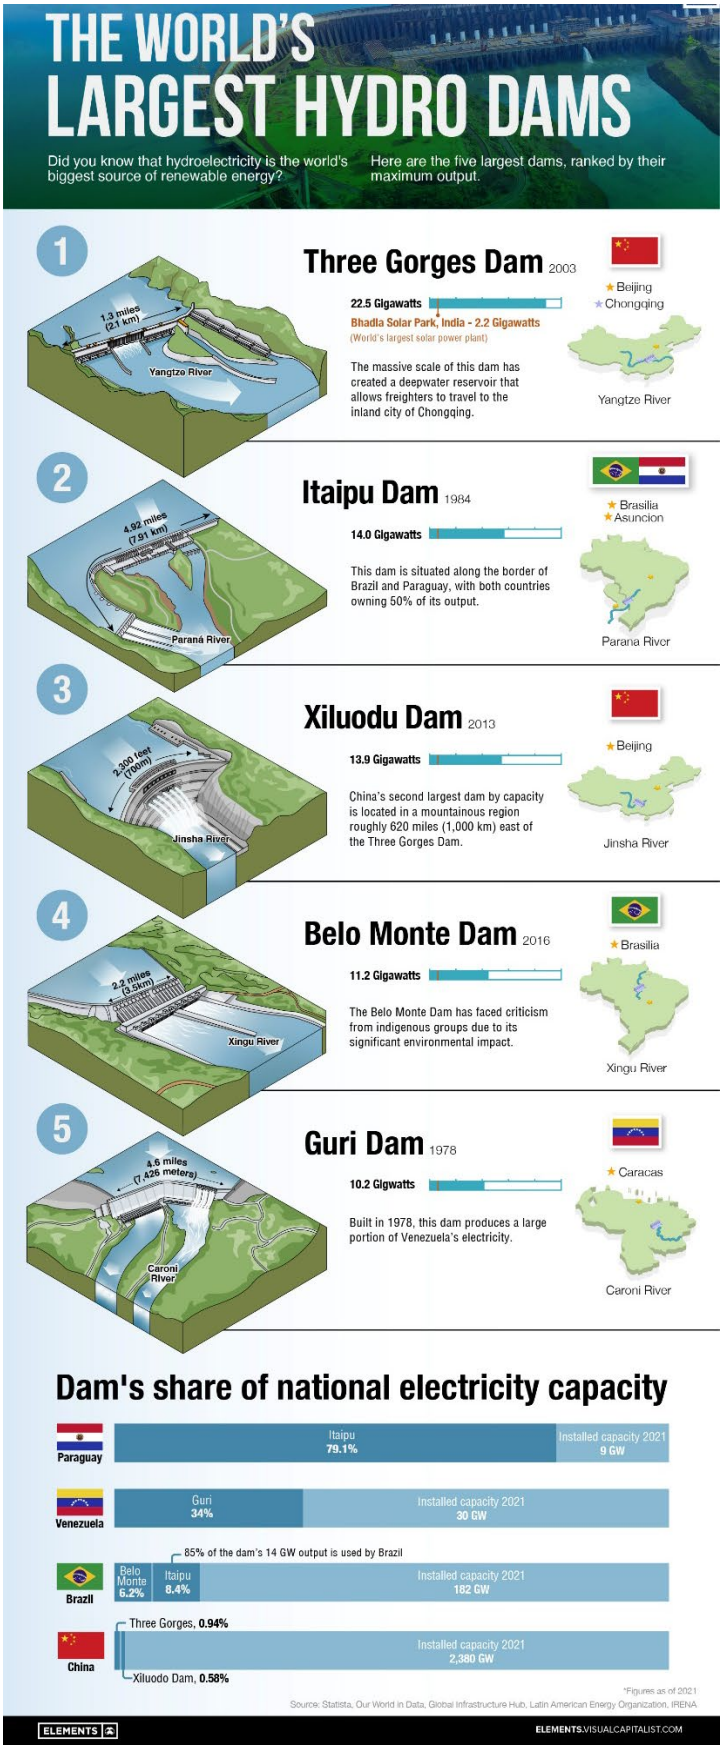

Resource 4 for Question 1

Key minerals in an electric vehicle battery

Resource 5 for Question 1

Infographic of the world's largest dams

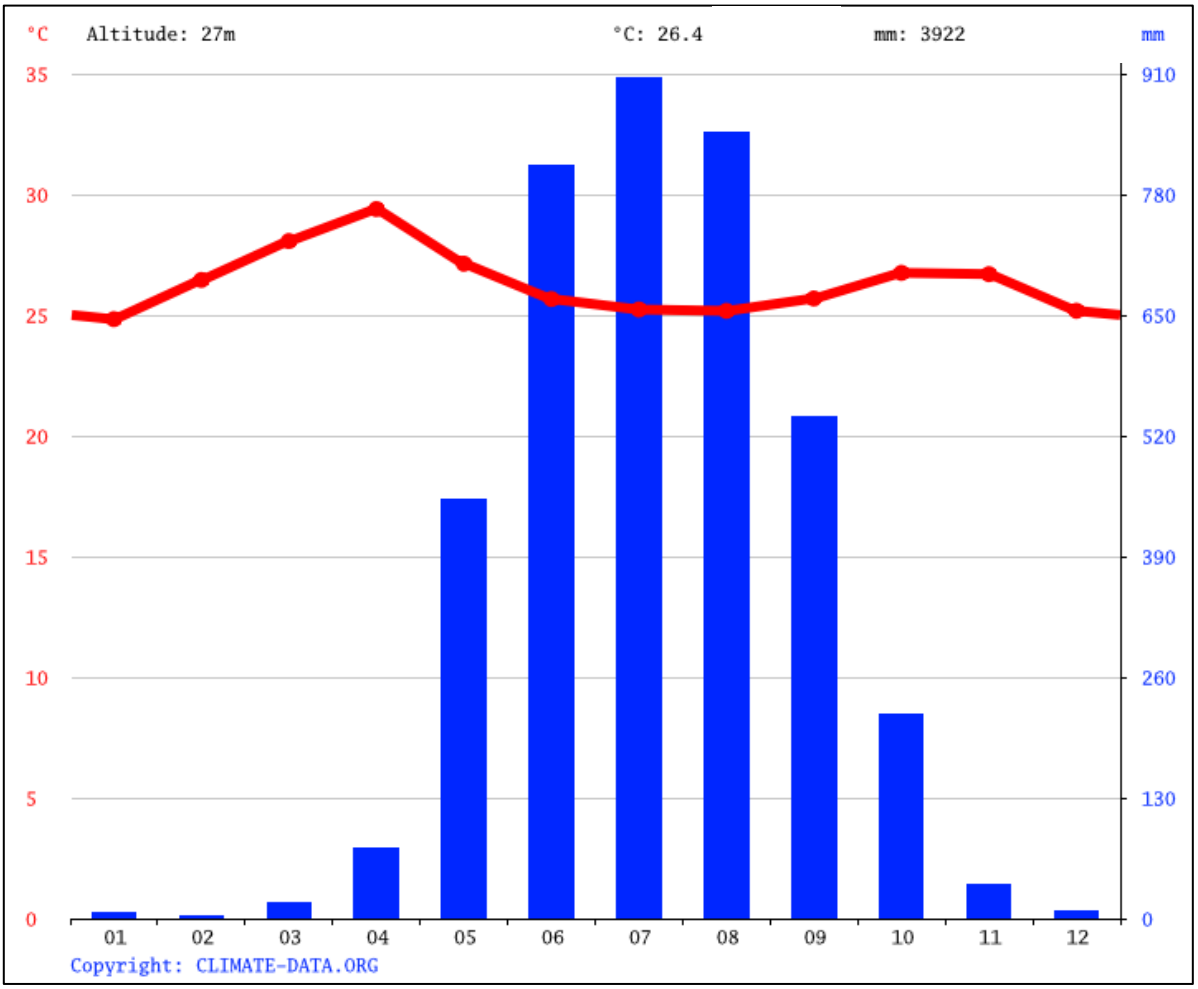

*'**Installed capacity**' refers to the maximum amount of power a hydroelectric facility can generate at any given moment, typically measured in megawatts (MW).

This capacity is crucial for understanding the facility's potential contribution to the energy supply and its ability to balance electricity generation with demand.

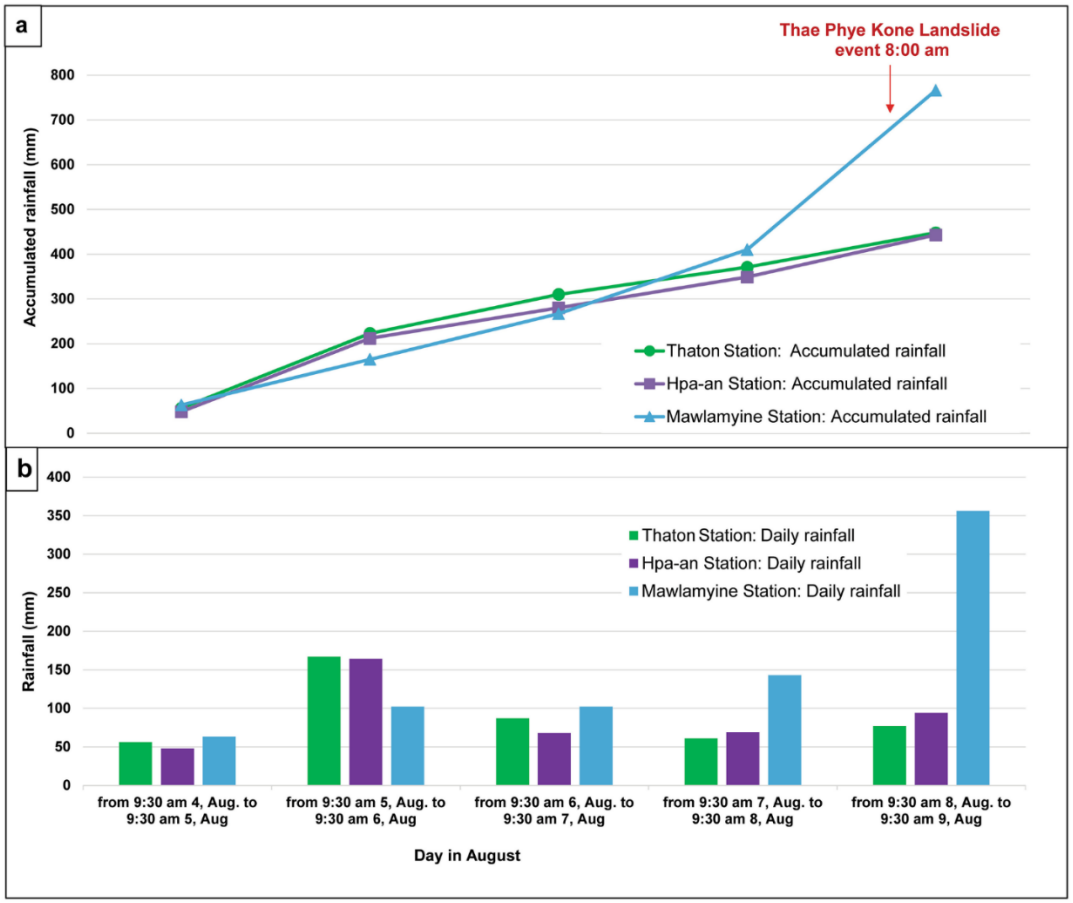

Resource 6 for Question 2

Climograph of Thaton, Mon State, Myanmar

Resource 7 for Question 2

Five-day (a) accumulated rainfall; (b) daily rainfall amounts in Mon State close to the deadly Thae Phye Kone landslide in Thalphyugone Village in August 2019

Resource 8 for Question 2

Mass movement in Thalphyugone Village in Paung Township, Mon State on 9 August 2019

Resource 9 for Question 2

Gyaing River in Mon State, Myanmar
